**Heavy Duty
Cutter**

PREMIUM DUTY CUTTER TO 2" PIPE

Still using a clumsy saw blade that never gives a clean cut? Is cutting pipe taking a lot of time and effort? If so, then this tool is a must. It's ideal for cleanly cutting ABS and PVC. The blade is hardened to keep a long lasting sharp edge and is easily field replaceable. This cutter can be used easily with one hand. It is blister packaged for your convenience and there is a replaceable stainless steel blade available.
